Hues of life, Shades of success!

A Canvas and sculpture workshop by Suryadatta Group of Educational Institutes

The name Suryadatta is associated with quality education with professional touch, holistic personality development and leadership development. The Group offers all the courses affiliated to the University of Pune, approved by Yashwantrao Chavan Open University and recognized by AICTE. The Group takes special efforts for nurturing various skill-sets of its students.

This tradition was taken forward by Suryadatta School of Interior Designing and Decoration which organized Canvas and sculpture workshop by renowned canvas and sculpture artist Pramod Kamble at the Bavdhan Campus. The Welcome Ceremony for this year’s new batch for the School of Interior Designing and Decoration also took place. The Prize Distribution Ceremony of the Graduates was also celebrated on the same platform.

Suryadatta Group had invited 300 students of Bapusaheb Pawar Kanya Shala to witness this celebration and be part of this workshop. Renowned Painter Shri Pramod Kamble graced the occasion and gave his valuable guidance to the students. These 5th to 8th standard underprivileged students of the Kanya Shala visited a renowned corporate business school as part of their study tour.

In the Canvas and sculpture workshop Pramod Kamble focused on Creativity, Methods to use the drawing tools, various fields of applied Arts, Study of Colours and their usage, Creativity enhancement, Personality Development, Sculpture Demonstration etc. Also Pramod Kamble demonstrated his art by making statue of Swami Vivekananda in just one hour.
The students got the opportunity to observe the demonstrations, to generate their interest in this art form, to create awareness about career opportunities in this field and to bring about a positive change in their personality by empowering their artistic sensibilities. These girls also felt motivated by the prize distribution ceremony.

Shri Pramod Kamble encouraged the girls to pursue a career in the field if they are genuinely interested. It was a truly an enlightening and memorable event for the girls and they took home loads of dreams and knowledge.
