Students of Suryadatta School of Design visited the oldage Home

Suryadatta Education Foundation organized a visit to 'Janseva Foundation of Oldage Home' for students of Interior Design & Fashion Design Department.

This Visit was organized keeping in mind to make the students aware & realize the bitter fact of life & to know how important it is to be internally strong in order to keep once surrounding strong & supportive. Also to know the importance of our parents in our life.

It was also needed to make students understand the space design from the oldage people's point of view & their requirements related to interior space & their daily wear outfits suiting to their age & comfort level.

'Janseva Foundation of Oldage Home' is located at Ambi near Panchshet Dam, Pune. It is located in a refreshing nature's womb. It is been established at the year 1985 by Dr. Vinod Shah.

Almost 180-200 oldage people are residing there. All the necessary care has been taken by the Janseva community members from their daily leaving, food, cloths & shelter. A daily time table has been followed for these people, which includes their daily exercise, resting, meals, different entertaining activities, maintaining their hobbies etc.

The Founder Dr. Vinod Shah has taken a great efforts & initiative in contributing to these great Social cause. Students were emotionally touched by meeting these innocent old people & learned a lot from them. More over these old people were extremely happy & pleased to meet & spend time with these young & enthusiastic children.

At the departure time our Principle Mr. Ajit Shinde addressed everyone & spreaded the sweetness he felt by singing a song. Everyone took an oath of being supportive &

helpful in their further life ahead. All & all it was a memorable & learning visit for everyone.
