# ॐ सूर्यनारायणाय नमः

जपाकुसुमसंकाशं काश्यपेयं महाद्युतिम्  
तमोऽरिं सर्वपापघ्नं प्रणातोऽस्मि दिवाकरम्

The worship of the Sun is as old as civilization.

I bow to you, O Surya, the Son of Kashyapa Muni, the destroyer of darkness and all sins, whose luster is like that of red Jaswand Flower. The worship of the Sun is as old as civilization.

The Sun that awakens man from darkness, the Sun that is so brilliant that it cannot be seen by the naked eye evokes awe in the human mind. In the Rig-Veda, Surya has been described as the life (atma) of all creation. Surya is praised as the God of Gods (Rig-Veda 1.50.10). Homage is paid to Surya by chanting special names while offering him salutation-Surya Namaskara. These twelve names that we use to worship Surya serve to remind us of his glory and power and to be eternally grateful for his constant blessings in our life here on earth.

February 11, 2013

Dear Prof. Dr. Sanjay Chordiya & **Mrs. Sushama Chordiya**

Please accept warm greetings and congratulations for the function organized on 7<sup>th</sup> Feb. 2013 for presentation of "Suryadatta National Lifetime Achievement Award" and "Suryadatta National Awards 2013".

Due to health problem, I am sorry I could not give full justice to the program. I have also missed an opportunity to listen to the speeches of the eminent awardees.

Being part of your organization, I was hesitant to accept the award. However your love did not allow me to refuse the same. This program also provided me an opportunity to meet several friends including Manindarjit Singh Bitta and others.

Love and affection of friends like you has always remained the strength in my life. I am sure that I will continue to receive the same in future.

I have my dream about Suryadatta Group of Institutes. Within few years, this Institute should be "Harvard" of India. Please try to fulfil my dream.

With warm regards and best wishes for Suryadatta Group of Institutes.

Yours sincerely,

Mohan Dharia

## About The Founder President & Chairman

### Professor Dr. SANJAY B. CHORDIYA

Founder President & Chairman  
Suryadatta Education Foundation (SEF)

Professor Dr. Sanjay B. Chordiya, the esteemed Founder President & Chairman of the Suryadatta Education Foundation (SEF), stands at the apogee in the world of education, industry, and philanthropy. A distinguished educationist and trailblazer, his visionary influence resonates across global academic and professional realms. His career reflects unwavering excellence, innovation, and social impact, reshaping higher education in India and globally.

#### Academic Eminence and Intellectual Mastery

Dr. Chordiya's academic journey is one of exceptional breadth and profound depth. A proud alumnus of the College of Engineering Pune (COEP), he earned his Bachelor's degree in Mechanical Engineering, laying the foundation for a stellar intellectual odyssey. Driven by an unquenchable thirst for knowledge, he earned Master's degrees in Marketing, Human Resources, Production & Materials Management, and Finance, each enriching his remarkable journey. His scholarly pursuits culminated in a Ph.D. in Environmental Science, an area of paramount global significance, reflecting his deep concern for ecological sustainability. In recognition of his extraordinary contributions to education and global development, he was conferred an honorary D.Litt. by Theophany University, Haiti, an accolade that underscores his far-reaching impact.

#### Acclaimed Professional Crusade

Dr. Chordiya's professional odyssey is marked by remarkable success and unparalleled leadership. His distinguished career began at Bajaj Tempo Ltd. (now Force Motors Ltd.), where he dedicated over two decades, eventually rising to the position of General Manager and serving on the Board of Management. His transformative leadership in the corporate sector is a testament to his visionary thinking, strategic acumen, and unparalleled operational expertise. During this period, he emerged as a formidable force—innovative, resilient, and forward-thinking in every endeavor.

#### A Visionary Leader in Education

In 1999, driven by an unshakable desire to create a paradigm of educational excellence, Dr. Chordiya founded the Suryadatta Education Foundation (SEF), a visionary initiative that has since grown into the Suryadatta Group of Institutions (SGI). With over 25 distinguished academic institutions across multiple campuses, SGI has become a beacon of interdisciplinary brilliance, seamlessly blending cutting-edge technology, innovation and social responsibility to foster holistic, future-ready education. Under Dr. Chordiya's sagacious leadership, SGI has flourished into an institution of global repute, producing graduates who not only excel in their fields but also embody the values of integrity, compassion, and leadership in an ever-evolving world.

#### Global Engagement and Influential Leadership

Dr. Chordiya's reputation as a global thought leader is elevated by his extensive international engagements. He has participated in esteemed leadership programs at world-renowned institutions, including Harvard, MIT, Stanford, and the University of Paris, each enriching his intellect and honing his leadership philosophy. His global outlook is further enhanced

by visits to universities in Israel, Russia, Malaysia, Thailand, Singapore, and Japan, fostering invaluable cross-cultural academic exchanges and drawing inspiration from the finest practices in higher education.

A passionate advocate for international collaboration, Dr. Chordiya holds distinguished positions on numerous influential boards. He serves as the Governor-nominated member of the Management Council at YCMOU, Chair of the University-Industry Partnership Program for the Global Chamber, USA, and Senior Vice President of the CEGR, Delhi, among other esteemed roles. These prestigious affiliations underscore his influence in shaping educational policies, fostering robust industry-academia partnerships, and advancing the cause of innovation in education worldwide.

### Laurels and Legacy

Dr. Chordiya's remarkable contributions to education, philanthropy, and global peace have garnered him an array of prestigious accolades. His legacy as a visionary leader and humanitarian continues to inspire countless students, educators, and professionals across the globe. His work stands as a testament to the transformative power of education, a beacon of hope for future generations, and a guiding light for those who seek to drive change in the world.

Professor Dr. Sanjay B. Chordiya epitomizes visionary leadership, intellectual excellence, and humanitarian values. His transformative contributions to education, industry, and social welfare are both profound and lasting. Through his pioneering efforts, Dr. Chordiya shapes the future of education, exemplifying excellence, integrity, and global citizenship—a legacy that will continue to inspire and uplift generations to come.

## Bridge Course

From 21st August 2023 till 29th August 2023, the MCA Department of the Suryadatta Group of Institute hosted a bridge course for first-year MCA students. This task fills up the knowledge gap between novice computer users. Some students in the MCA course have no prior experience with computers. Through this practice, they become aware of their computer literacy and have the confidence to learn the course material.

This course assists students in developing their conceptual knowledge and confidence in a range of first-year MCA subjects. It strengthens students' fundamental understanding of tool introduction and enhances their capacity to study new and challenging subjects. The Bridge courses introduced students to computer subjects such as networking, fundamentals of information systems, programming, problem solving techniques, fundamentals of database management system, fundamentals of applied mathematics, fundamentals of operating systems, recent trends in IT, fundamentals of C++/JAVA, and other topics. The MCA syllabus includes these subjects. The SPPU syllabus is the basis of the contents course. It provides them with a fundamental comprehension of all the subjects they will study in their future employment.

### Bridge Course offered in various disciplines is as follows -

7	Recent Trends in IT and Job opportunities	Dr. Vidya Gavekar
8	Fundamentals of Information systems (various Business Processes Domains)	Prof. Adarsha Katrale, Prof. Shweta Chikmal

## Remedial Classes

We MCA Department, at the beginning of a remedial course, every subject teacher assesses with care the strengths and weaknesses of students in their subject. Further, we conduct remedial classes for such weak and below average students to assist them to achieve expected competencies in core academic skills after every end of semester. MCA Department organized Remedial Coaching with a view to improve academic skills among the students in various subjects and raising their level of comprehension of basic subjects to provide a stronger foundation for further academic work. It also helps students to strengthen their knowledge, skills and attitudes in such subjects.

The main objective of the remedial session is to identify slow learners so that it can facilitate better handling of students according to their academic needs, to assess student's academic score and to revise the subject knowledge, improve academic skills and to provide a strong foundation in their academics.

The remedial coaching programme envisions supporting weak learners in different subjects and provides them more focused teaching support to enhance their qualitative and quantitative subject knowledge, academic skills and linguistic proficiency. These strategies have facilitated us to upraise our pass percentage to a great extent. In this academic year, we organized remedial classes after completion of syllabus from 6th July 2023 to 11th July 2023 for MCA I and II years students. A special focus is laid to equip the students to help them perform well in the exams.

### FDP on UML Diagrams

Date : 01-04-2024      Venue: MCA Lab

Participants: MCA Faculty Members

Facilitator: Dr. Manisha Kumbhar, Professor & Director SIBMT

The Faculty Development Program on Unified Modelling Language (UML) was conducted with the objective of providing participants with a comprehensive understanding of UML and its practical applications in software development. The program aimed to equip participants with the necessary skills and knowledge to effectively use UML diagrams in their projects.

The facilitator provided an in-depth exploration of UML fundamentals, covering a range of essential diagrams including Use Case, Activity, Sequence, Collaboration, State Transition, Component, and Deployment diagrams. Participants gained practical experience through hands-on sessions utilizing the StarUML tool, enabling them to apply their newly acquired knowledge directly in a simulated software modelling environment.

In addition to structured sessions, collaborative exercises were conducted to engage participants in creating UML diagrams based on predefined scenarios. Peer review and feedback sessions were facilitated to foster a supportive learning environment, allowing participants to refine their understanding and skills through constructive input from their peers. Open discussions, led by both participants and facilitators, as well as Q&A sessions, provided opportunities for addressing any queries or concerns raised by participants, further enriching the learning experience.

The FDP on UML provided participants with a comprehensive overview of Unified Modelling Language and its practical applications in software development. Through a combination of theoretical sessions, hands-on workshops, and interactive discussions, participants gained valuable insights and skills that they can apply in their professional endeavours.

Preplacement training for MCA-II students was arranged by the Suryadatta Group of Institute from 21st and 29th August, 2023. Building a bridge between institutional inputs and industry expectations is training's is the main objective of pre-placement training.

The primary goal of this training is to equip the students with the skills they need for employment. It enhances specialist technical or occupational talents needed in the field. Several lessons on enhancing communication abilities, fostering teamwork, and appreciating its importance were covered in the course. It includes workshops on problem-solving and conflict resolution in addition to instruction on technology and tools. There were multiple actions taken in relation to the same. Through team building activities, students are encouraged to collaborate and develop a sense of unity while learning how to function as a team. This exercise teaches students the value of concise and clear communication in the workplace, which is an essential skill for every business. The instruction emphasises the need of problem-solving

Preplacement training that covers these topics might help students make their placement interview more effective. It increased confidence and zeal for the placement assignment. This training is necessary to make sure the students are in compliance with the placement activity and well equipped.

### 1. SEEKHO Sprint Sessions

In an unstable global economy and AI changing the job landscape, certificates or LinkedIn profile does not work in getting you a career. Given our long standing relationship with multiple companies, SEEKHO came to know that work experience is the key in cracking job Opportunities. But how do you get it while you are in college? SEEKHO created 'Seekho Sprints' for that to ensure you have work experience even before you get out of college.

### 2. Aptitude Sessions

To prepare students for campus placement, aptitude sessions are mandatory. Henceforth, MCA Department had conducted aptitude sessions for MCA Students. It is a first step to enter in MNC or well recognized organizations. CJC Pvt. Ltd provided sessions by Mr. Rohit Choubey to students and had given practice by solving innumerable questions & solving techniques.

### 3. Data Science, Aptitude workshop by SEEKHO

To meet up with industry needs students must be aware of the current trends and technologies in the market. We are at Suryadatta institutes of management offering various such courses by industry experts to make students capable for campus recruitment. SEEKHO had conducted workshops for MCA Students to give them hands-on training and conceptual understanding of current IT trends. The pre-assessment and post assessment for students were conducted which proved tremendous change in students performance.

## UML Diagrams Session

A guest lecture on 'UML Diagrams' was held by Dr. Jayshree Patil, on October 17th and 18th October, 2023, at Suryadatta Institutes of Management's MCA Department in Pune.

A different viewpoint on the importance of the software engineering process is provided in this guest lecture. Software engineering is becoming more and more important as technology advances, benefiting a wide range of enterprises. The primary goals of software engineering are the design, development, testing, and maintenance of software systems. Sturdy software can improve workflows, automate tasks, and increase overall productivity and efficiency within an organisation.

In this guest session, students learn how to create well-designed software using a variety of UML diagrams. During a brief case study session, Dr. Jayashree Patil explained the principles of UML diagrams. She presented each of the nine diagrams with a brief case study. This practice encourages students to choose jobs as software designers. Students appreciate the UML session and feel confident enough to draw different kinds of diagrams.

Collaborative projects with peers fostered teamwork and innovation, enriching my learning experience. Navigating internships and industry collaborations provided invaluable real-world insights and networking opportunities. Graduation marked not only the culmination of academic achievement but also the beginning of a promising career in technology.

- Ms. Aishwarya Pawar, SIBMT, MCA

My college experience has been a swift of learning and growth. From intensive coding sessions to collaborative projects, every day presents a new challenge and opportunity. Engaging with professors who are experts in their fields has broadened my perspective and extended my understanding of computer science. Networking with peers has not only enriched my social life but also provided invaluable connections for future career prospects. Overall, my MCA journey has been transformative, shaping me into a proficient and adaptable professional ready to tackle the tech industry's demands.

## Extracurricular Activity

### Teachers Day

At the Suryadatta Group of Institutes, the celebration of Teachers Day is a unique opportunity to pay tribute to Dr. Sarvapalli Radhakrishnan, the country's teacher of the year, whose birthday is September 5. The Suryadatta Institutes of Management, MCA Department celebrates Teachers Day with tremendous fervour, offering a daylong programming that is thought-provoking, amusing, and meaningful. Following tradition, the MCA Department had its Teachers Day celebration in Vishwariya Hall with the full involvement of the teachers and students. Honourable dignitaries gave a cordial greeting to the day's events, while Dr. Manisha Kumbhar (HoD MCA) paid honours to renowned scholar and former president Sarvapalli Radhakrishnan. A few pupils also gave brief comments to thank the professors for their instruction. On this unique occasion, students showcased their cultural talents through dance, poetry, theatre, and other performances.

To keep the teachers entertained, they also planned a few enjoyable games for them. The programme was liked and enjoyed by all of the teachers. After the distribution of sweets, the ceremony ended around 2:00 p.m.

### Garba & Dandiya Celebration

Students from the Suryadatta Group of Institutes dressed in vibrant traditional Indian attire for a dandiya event on Kojagiri Pournima. On October 28th, 2023, Garba and Dandiya celebrations were held in honour of the Hindu holiday of Navratri, which is observed for a variety of reasons throughout the Indian subcontinent. Celebrating diversity and mending cultural divides were among the goals. Prayers to the goddess Navdurga opened the festivities, which were then followed by energetic student performances of Garba and Dandiya Raas that included singing and dancing. Students were dancing joyously in traditional costumes to the upbeat tunes of Garba amid the lively environment. Students enjoyed snacks, among the upbeat music, adding to the celebration of the event.

### Guru Purnima Celebration

The Suryadatta Institutes of Management, MCA Department celebrated Guru Purnima on 5th July 2023 at Vishweshwarya Hall, 4th floor. MS.Pratiksha Awasthi anchored the event, and Ganesh Vandana was performed by Mr. Agam Shah and he delivered a speech emphasizing the transformative power of wisdom in our lives. He encouraged reflection on life and gratitude for the wisdom that has shaped our journey. MCA students honoured faculty members with tokens of love. Dr. Manisha Kumbhar, HoD-MCA, elucidated the significant role of a Guru in students' lives. Special thanks to Chairman Prof. Dr. Sanjay B. Chordiya and Dr. Shailesh Kasande, CEO & Group Director for their support in organizing this program.

## Rakshabandhan Celebration

Students of Suryadatta Group of Institutes celebrated Rakshabandhan uniquely by crafting and tying 1,000 rakhis to trees, reinforcing their bond with nature. Simultaneously, they distributed 1,000 coconuts through ten social organizations and wrote heartfelt letters to Indian soldiers and social security workers.

Suryadatta Group of Institutes set a record by sending these messages of appreciation. The rakhis, dedicated to India's Chandrayaan-3 mission by ISRO, featured a Chandrayaan-3 theme. Suryadatta Institute of Fashion Technology's Bavadhan Campus produced 100 creative rakhis. Participants at Suryadutt's campus pledged to protect these tree-like siblings, recognizing their significance in providing oxygen, shade, fruits, and flowers.

Dignitaries graced the occasion, and on Naralipurnima, coconuts were generously gifted to social organizations, reflecting the deep satisfaction and love for trees. This initiative allowed students to express gratitude and contribute to the protection of these vital resources, with joy in tying rakhis to their tree-shaped brothers.

# Multiple Career Opportunities for Students through Multi Disciplinary Integrated NEP compliant campus

## Outcomes / Career after UG & PG @ Suryadatta

### 1) Corporate career in National & Multinational Companies (Manager / Business dev executive / Marketing executive / Software developer / Cyber Security officer, etc)

Suryadatta organizes Guest sessions of Industry experts so that the students get to know the skill sets required by the corporate world. The students interested in corporate career are given employability enhancement modules so that they are corporate ready. The students eligible for corporate career are provided with the opportunity through campus placements in MNCs in India & Abroad. Students are selected based on their basic qualification, performance in Academics, Co-curricular activities and Personal interview, as per respective Company policies

### 2) Higher Education for a Sustainable Career

Continuing the education after graduation not only broadens the student's set of skills but also opens up new career opportunities. Students will gain an in-depth understanding of the chosen field of specialization. Suryadatta Group of Institutes is a Multi-disciplinary Integrated campus offering PhD (Doctoral) course after completing PG.

### 3) Startup & Innovation (Young Entrepreneur)

Students are encouraged to think creatively and outside the box, to develop innovative solutions. Suryadatta has a separate Innovation & Incubation cell to facilitate the students interested in Start-Ups. The students at Suryadatta are guided by experts / entrepreneurs right from the ideation to establishing of the start-up. These students are not only self-employed, self-reliant but also provide employment to job seekers at a very young age.

### 4) Freelancing (Freelancer)

Students of courses such as Fashion design, Interior design, Animation, event management, Cyber Security, etc can take up projects of their respective domains from companies / individuals and complete / execute it single handedly. Suryadatta encourages such students by connecting with companies or other sources and assist them to get the projects, at the initial stage. Students are trained on general business acumen skills, communication skills, problem solving skills, etc

### 5) Intrapreneurship & Family Managed Business (Intrapreneur & Business person)

Students who are interested in family managed business are mentored by experts & guidance given to take the business to next level & to continue their business legacy. They are trained for the required skills and encouraged for innovative ideas based on the type of business.

### 6) Training, Research & Consultancy (Trainer & Consultant)

Suryadatta has Industry 4.0 centre of Innovation lab and Centre of Excellence in AI. These labs help the students to work on the research & consultancy projects and live projects received from the companies. This facility helps the students to gain experience & confidence in handling the projects. The interested students can continue to take up such consultancy project work by being associated with many corporates. Students can also train the corporates on the new aspects of technology, research resulting in a win-win association.

### 7) Research & Education (Researcher & Educationist)

Students after completing PG Course can continue their learning with Research work. Suryadatta offered PhD in management. Else, students can pursue Doctorate in other fields of their interest from various Universities. After completing Research work, they will be eligible to join any research organisation to be in the same field or corporates or Institutions. While pursuing PhD, students get the opportunity to associate with educational instns as research associate or Lecturer. After completing PG course, students interested in teaching will be eligible for Lecturer / Asst Professor post, thereby joining the noble profession and mentoring the juniors by sharing their experience and knowledge.

### 8) Services for the Nation & the World (Public service officers / Govt officers / law enforcement officers, Global leaders, etc)

Students at Suryadatta are prepared for various entrance exams related Civil services and Govt jobs. They are encouraged to contribute to Nation Building through careers in Civil services, Armed forces, Judiciary, Organisations of National importance, and also Global organisations such as WHO, UNICEF, etc.

### 9) CSR, NGO & Social Entrepreneurs

Corporates are tasked with contributing to welfare activities and drive social impact. They require candidates at the managerial level to effectively conduct their CSR activities. Suryadatta prepares the students to manage the CSR departments of top organisations, managing social startups, NGOs, and environmental firms.

### Passive Income Sources

As an additional source of income, students are pursuing career in their passion such as starting a new venture (start-up), social entrepreneurship, freelancing, consultancy services, import & export business, real estate business, retail business, digital marketing, graphic designing, UI / UX designing, associate consultancy in cyber security, Blogging, Content writing, Training / Coaching related to academics, sports, zumba, gym, etc, Financial services, event planning, social media marketing, portfolio making, You tube Channel making, website developing, Yoga training, composing music, choreography, brand promotion, Crowdfunding, photography,

....and many more

We provide holistic development for students by providing multiple career options, skill oriented training programs, Technical skills, communication skills, ethical ability, participation in events, interaction with distinguished guests, performance in lab, and tangible and intangible benefits.

By offering students comprehensive growth, a variety of career alternatives, skill-oriented training programs, and total value addition, we help students advanced to the next level.

**Suryadatta (SEF) Founder President & Chairman, Professor Dr Sanjay B. Chordiya, & Vice President & Secretary, Mrs. Sushama S. Chordiya visited to explore possible opportunities with various leading Universities / Organizations i.e. Main university of Oxford, Oxford Brookes University & various other universities**

University of Oxford is an English autonomous institution of higher learning at Oxford, Oxfordshire, England. It is one of the world's great universities. It is the oldest and is in existence since early 12th century. Oxford has been associated with many of the greatest names in British history which includes famous scientists, notable writers, Prime-Ministers, industrialists and many more.

Chairman of Suryadatta Group of Institutes, Prof Dr Sanjay B.Chordiya, & Vice President, Mrs Sushama Chordiya were invited to the University of Oxford. Dr Rakesh Roshan, Head of Innovation interacted with them. This innovation centre has been established with the purpose of creating impact through licensing, research commercialisation & academic consulting. Dr Roshan took them around the 100 acre beautiful & well planned campus. One of the attraction is its huge library which has internal train service to carry the books.

Dr Chordiya introduced Suryadatta Group of Institutes – courses offered, facilities available for the students, pedagogy, etc and discussed the possibilities of getting associated with the University in several ways. This interaction ended on a positive note with an opportunity to visit the University every quarter. Dr Chordiya said that the take-away from this University visit will be implemented at Suryadatta to the extent possible so that students get the at par learning atmosphere.

### Glimpses of Most Happening Places (Life in UK) @ London

#### The Education Innovation Conference 2023, Oxford, UK

**Buckingham Palace:** It is a royal residence in London and the administrative headquarters of the monarch of the United Kingdom. It is the place where Coronation of King Charles III took place on 6th May 2023.

**Big Ben or London Watch Tower:** Big Ben, tower clock, is famous for its accuracy and for its massive bell, which weighs 15.1 tons. The whole clock tower is at the northern end of the Houses of Parliament, in the London borough of Westminster. It took 13 years to build. The bells are struck by hammers that are connected to the clock mechanism, which is powered by large weights that are wound three times a week.

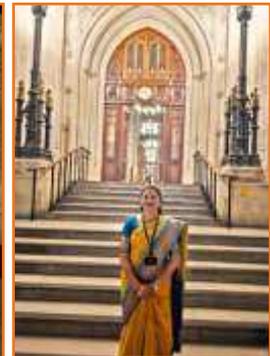

**House of Commons:** The House of Commons is the democratically elected house of the UK Parliament, responsible for making laws and scrutinises the work of Government. It is the lower house of the Parliament of the United Kingdom, and meets in the Palace of Westminster in London.

**Prof Dr Sanjay B. Chordiya: Keynote Speaker during the 4th Forum on China-South Asia Technology Transfer and Collaborative Innovation held in Kunming, Yunnan Province, China between 15th to 19th Aug 2023**

The 4th Forum on China-South Asia Technology Transfer and Collaborative Innovation was hosted by the Ministry of Science and Technology of China and the People's Government of Yunnan Province, and organized by the Ministry of Science and Technology (MOST) of P.R.China, Yunnan Province Science and Technology Department, & India China Technology Transfer Centre (ICTTC). This forum was organised in order to further deepen the cooperation in science and technology innovation (STI) between China and South Asian countries, discuss regional policies and mechanisms for Science and Technology cooperation, build and share collaboration platforms, and promote STI and sustainable economic development within the region.

The Forum consists of High-Level Forum, Technology Promotion and Matchmaking Workshops to facilitate communication and exchanges between Chinese and South Asian enterprises and institutions, enhance mutual understanding and identify potential partners.

Prof Dr Sanjay B. Chordiya, Founder President & Chairman of Suryadatta Group of Institutes, was invited to this Forum as an esteemed Delegate from India. Dr Chordiya addressing the Forum as the Keynote speaker on the topic, 'Technology Promotion & Collaborative Innovation' said that Collaboration

is key to innovation in the world of technology. By bringing together diverse perspectives, skills, and experiences, we can create ground breaking solutions that solve complex problems and meet the needs of users. Collaborative innovation encourages cross-disciplinary thinking through cooperation and communication among multiple parties such as corporations, universities or governments. One of the most rewarding aspects of innovation is working with different people and diverse organizations.

Dr Chordiya said that Suryadatta institutions are prepared for the digital transformation that is sweeping across the education sector and are embarking on a transformative journey with the Suryadatta 5.0 initiative, aimed at embracing the new era of AI and digital transformation in the education sector in India.

Alongwith Dr Chordiya, the other speakers were Mr Xia Shengan, Deputy General of Yunnan Administration; Prof Wang Zuobin, Director of Changchun University; Mr Wu Jun, CEO of Guangdong CAS Cogniser Information Technology Company. It is a proud moment for Suryadatta to represent on such a huge platform and network with distinguished persons from China & South Asian countries.

## SURYADATTA® - Unique 7 Pillar Philosophy

To say that we live in diverse times would now definitely be a buzzword. The world has changed and is still changing at a fast speed. During these volatile and uncertain times when technology has taken main stage, people are working remotely. Industries are changing the way they work and produce. Companies are looking at hiring people with multiple skill sets, multi-tasking and people who can unlearn fast and learn even faster. Life skills, which add capabilities to aid young people in transitioning to an evolving era of work, have been identified as important for the holistic development of young minds. Effectively scaling up the delivery of such innovative programmes, to empower our youth to thrive and equip them with the right skill sets, is the appropriate logical step. Central to this is a systematic approach that can ultimately help integrate life skills training with the mainstream education curriculum & improve the preparedness of the next generation.

Suryadatta-edifying 21st century talent for the nation since 1999. Suryadatta is an educational conglomerate of 23+ recognized Academic Institutions comprising of K-12 schools, Junior colleges, and Higher education institutions offering UG & PG courses, Research centers, Centers of Excellence in training, research & consultancy, Innovation & Incubation centers and many more.
