The worship of the Sun is as old as civilization.

I bow to you, O Surya, the Son of Kashyapa Muni, the destroyer of darkness and all sins, whose luster is like that of red Jaswand Flower. The worship of the Sun is as old as civilization.

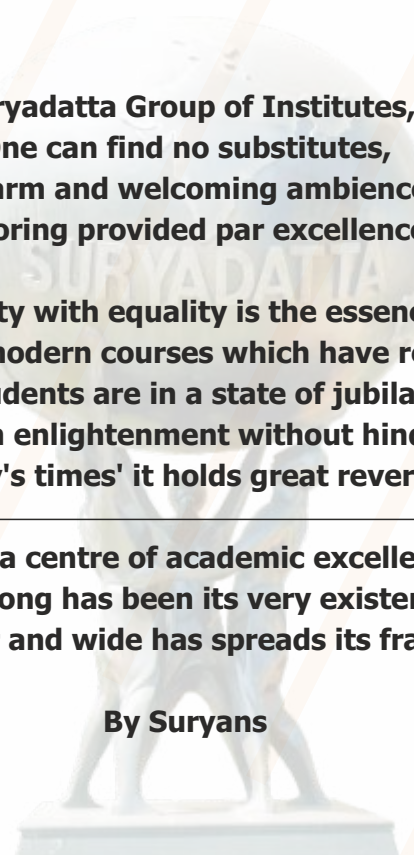

The Sun that awakens man from darkness, the Sun that is so brilliant that it cannot be seen by the naked eye evokes awe in the human mind. In the Rig-Veda, Surya has been described as the life (atma) of all creation. Surya is praised as the God of Gods (Rig-Veda 1.50.10). Homage is paid to Surya by chanting special names while offering him salutation-Surya Namaskara. These twelve names that we use to worship Surya serve to remind us of his glory and power and to be eternally grateful for his constant blessings in our life here on earth.

Dear Prof. Dr. Sanjay Chordiya & **Mrs. Sushama Chordiya**

Please accept warm greetings and congratulations for the function organized on 7th Feb. 2013 for presentation of "Suryadatta National Lifetime Achievement Award" and "Suryadatta National Awards 2013"

Due to health problem, I am sorry I could not give full justice to the programme. I have also missed an opportunity to listen to the speeches of the eminent awardees.

Being part of your organization, I was hesitant to accept the award. However your love did not allow me to refuse the same. This programme also provided me an opportunity to meet several friends including Manindarjit Singh Bitta and others.

Love and affection of friends like you has always remained the strength in my life. I am sure that I will continue to receive the same in future.

I have my dream about Suryadatta Group of Institutes. Within few years, this Institute should be "Harvard" of India. Please try to fulfil my dream.

With warm regards and best wishes for Suryadatta Group of Institutes,

Yours sincerely, 
Mohan Dharia

A UNIQUE

Nurturing Formula

The Suryadatta Junior College nurtures its children from day one. This nurturing is in the areas of values, life skills, community service and CSR activities. Creating a positive college climate based on strong relationships and involving children in all these activities provides bedrock for learning.

Apart from this, Vocational Education (VE) which is a significant component of the nation's education initiative as the National Policy on Education (2020) recognizes the vital role of Vocational Education. In sync with this policy, we provide our children vocational training by giving them exposure to different vocations such as fashion designing through organising shows and showcasing the talent of students in garment designing, Hospitality Management, Architecture, Health Science etc.

Our uniqueness is also in the area of organizing Career Fairs which is an important event where our children find guidance and explore different streams of interests, gather the knowledge regarding their future career paths. The College invites industry experts who interact with children about diverse career options. With such job fairs students get exposure to different areas of career growth opportunities and also educating students on how to conduct their job search. We also prepare students for brief internships to understand the areas of their interest and to learn the work culture in organizations they intern with.
