The worship of the Sun is as old as civilization.

I bow to you, O Surya, the Son of Kashyapa Muni, the destroyer of darkness and all sins, whose luster is like that of red Jaswand Flower. The worship of the Sun is as old as civilization.

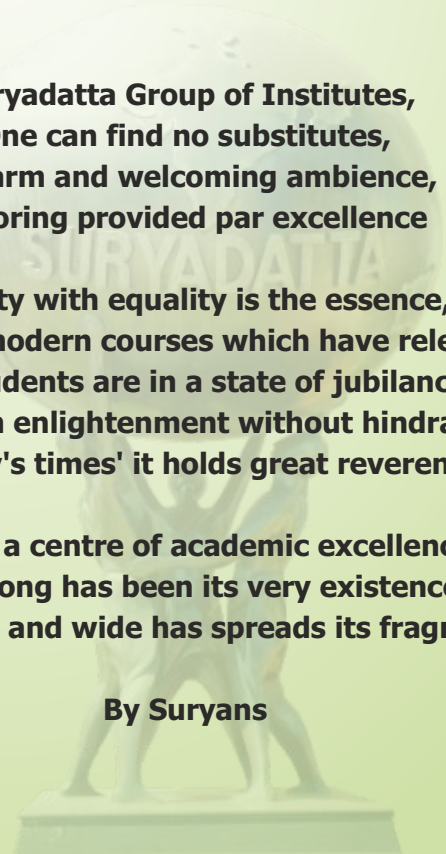

The Sun that awakens man from darkness, the Sun that is so brilliant that it cannot be seen by the naked eye evokes awe in the human mind. In the Rig-Veda, Surya has been described as the life (atma) of all creation. Surya is praised as the God of Gods (Rig-Veda 1.50.10). Homage is paid to Surya by chanting special names while offering him salutation-Surya Namaskara. These twelve names that we use to worship Surya serve to remind us of his glory and power and to be eternally grateful for his constant blessings in our life here on earth.

Dear Prof. Dr. Sanjay Chordiya & Mrs. Sushama Chordiya

Please accept warm greetings and congratulations for the function organized on 7th Feb. 2013 for presentation of "Suryadatta National Lifetime Achievement Award" and "Suryadatta National Awards 2013".

Due to health problem, I am sorry I could not give full justice to the programme. I have also missed an opportunity to listen to the speeches of the eminent awardees.

Being part of your organization, I was hesitant to accept the award. However your love did not allow me to refuse the same. This programme also provided me an opportunity to meet several friends including Manindarjit Singh Bitta and others.

Love and affection of friends like you has always remained the strength in my life. I am sure that I will continue to receive the same in future.

I have my dream about Suryadatta Group of Institutes. Within few years, this Institute should be "Harvard" of India. Please try to fulfil my dream.

With warm regards and best wishes for Suryadatta Group of Institutes,

Yours sincerely,

Mohan Dharia

The Suryadatta National Awards and the Life Time Achievement awards 2026 seek to recognize the valuable contributions of those eminent personalities who are iconic role models known nationally and internationally for their zeal and enthusiasm for excellence and enrichment of society through their relentless efforts.

Excellence is the hallmark of the Suryadatta Group, throughout its journey for almost two decades and it has found a befitting culmination in these Awards which were initiated in the year 2003. Every year, these awards are conferred upon the distinguished dignitaries on the 7th of February to coincide with the Foundation Day celebrations of the Suryadatta Education Foundation.

These awards honor personalities from all spheres of life whose noteworthy contributions towards augmenting their chosen vocation has made a vast difference to society, transforming several lives touched by them.

The felicitation of these personalities becomes an inspiration for all the students. Even if 20% of the students in India simulate values of such stalwarts it will go a long way in bringing about a drastic change for the betterment of the society

The institute received several nominations for 2026 and I would like to thank every entrant for the same. Out of these nominations, the jury shortlisted a few, the criteria for which are given later in this docket. The sheer number of nominations proves the popularity of these coveted awards. I wish to humbly recognize each entrant for their nominations.

SURYADATTA® - Unique 7 Pillar Philosophy

To say that we live in diverse times would now definitely be a buzzword. The world has changed and is still changing at a fast speed. During these volatile and uncertain times when technology has taken main stage, people are working remotely. Industries are changing the way they work and produce. Companies are looking at hiring people with multiple skill sets, multi-tasking and people who can unlearn fast and learn even faster. Life skills, which add capabilities to aid young people in transitioning to an evolving era of work, have been identified as important for the holistic development of young minds. Effectively scaling up the delivery of such innovative programmes, to empower our youth to thrive and equip them with the right skill sets, is the appropriate logical step.
