About The Suryadatta Education Foundation

The Suryadatta Education Foundation (SEF) was established in the year 1999 with an objective of developing self motivated leaders to succeed in today's challenging and vibrant global economy. The members of the Core Team & SEF are experienced with rich corporate experience of more than 21 years in various streams such as Business Management, Information Technology, Corporate Consultancy, Value based Education, Training and Research.

The Advisory and Governing Council of Suryadatta comprises of eminent academicians, professionals, industrialists, international consultants and social workers, who with their immense experience and sound knowledge guide the activities of the Suryadatta Education Foundation. Over the last 2 decades, the Suryadatta family has blossomed into a bouquet of academic institutions in a number of disciplines such as School (CBSE), Junior College, Business Management, Information Technology, Cyber Security, Hotel Management, English and Foreign Languages, Interior Design, Fashion Design, Animation, Event Management, Physiotherapy, Data Science, Psychology, Law, Pharmacy, Journalism, Mass Communication, Statistics, Media & Entertainment, Sports Academy, Creative Arts, Suryadatta Production, Beauty and Wellness, Performing Arts, Vocational and Advanced Studies. Students from Pan of India and several foreign nations are pursuing their education at various Suryadatta Institutes.

About the SIMMC / SIBMT

Suryadatta Institute of Management & Mass Communication (SIMMC) and Suryadatta Institute of Business Management & Technology (SIBMT) are AICTE-approved institutes offering various courses since 2011, and the Master of Computer Applications (MCA) program since 2021. The MCA is a two-year, full-time postgraduate course affiliated with Savitribai Phule Pune University (SPPU). The institutes have a separate doctoral research centre affiliated to SPPU in the management domain to promote research for developing management frameworks rooted in Indian realities. The programs offered are dynamic and comprehensive equipping students with the skills and knowledge necessary for success in today's competitive business environment. The institutes follow a unique pedagogy for student development which is Experiential, Holistic, Integrated, Inquiry-driven, Discovery-oriented, Learner-centered, Discussion-based, Flexible & Enjoyable.

Both the Institutes are NAAC accredited. The curriculum is carefully crafted to align with the latest industry trends and demands. It blends theoretical knowledge with practical applications, ensuring graduates are well-prepared for real-world challenges. Faculty members have rich academic and industry experience. They mentor students, providing valuable insights and guidance to help them excel academically and professionally.

Value Added Certifications

Industry Visit

The MCA Department of Suryadatta Group of Institutes organized industrial visits to the National PARAM Supercomputing Facility at Centre for Development of Advanced Computing, InfoBeans Foundation, and Mapro Garden & Cheese Factory to provide students with practical industry exposure. Students gained insights into supercomputing, artificial intelligence, software development, automation, and modern manufacturing processes.

These industrial visits significantly enriched the students' learning experience by exposing them to real-world industry operations, advanced technologies, and professional work environments. Overall, the visits played a crucial role in bridging the gap between academic learning and industry expectations, helping students develop a broader perspective on technological advancements, professional practices, and future career opportunities..
