INTRODUCTION

Suryadatta Education Foundation (SEF), established in 1999, has evolved over the past 28 years into a multidisciplinary education ecosystem through the Suryadatta Group of Institutes (SGI), Pune. With 25+ institutions and 1 lakh+ alumni, the ecosystem offers an integrated educational journey from School to Doctorate across management, technology, commerce, healthcare, hospitality, law and emerging disciplines.

Building on this institutional foundation, Suryabharat Industries LLP is being developed as an entrepreneurial and business platform focused on innovation, technology, strategic ventures, investments and global partnerships.

Together, Suryadatta–Suryabharat seek to connect India's talent, knowledge and entrepreneurial potential with global capital, technology, expertise and markets—creating opportunities that are scalable, sustainable and mutually beneficial.
