

Ref.No.: iBRICSSummit, Delhi

Date : 12th & 13th SEPT. 2026

Dear Esteemed Delegate of iBRICS Summit,

Warm Greetings!

It was indeed a pleasure meeting you at the IBRICS Summit and having the opportunity to exchange thoughts and perspectives.

The Summit was an enriching and vibrant experience, bringing together an exceptional cross-section of CEOs and CIOs; Ministers and senior officials from the fields of finance, economy, trade and investment; Ambassadors and High Commissioners to India; heads of financial institutions; family office principals from the BRICS nations; and distinguished leaders and experts committed to creating meaningful impact.

We greatly value the opportunity to connect with you and, in continuation of our interaction at the Summit, would like to briefly introduce the Suryadatta–Suryabharat **ecosystem** and some of the opportunities it offers for meaningful strategic association.

Suryadatta Group of Institutes (SGI), established in 1999 under the Suryadatta Education Foundation, is a multidisciplinary education ecosystem spanning School to Doctorate — KG to PG to PhD, with programmes across management, technology, AI & data science, commerce, hospitality, design, media, law, healthcare and other emerging areas. With a strong emphasis on holistic education, future-ready skills, innovation, entrepreneurship and global exposure, Suryadatta provides a platform for international academic, knowledge, skill, research and human-capital collaborations.

Suryabharat Industries LLP is an entrepreneurial and enterprise-development platform envisioned to identify opportunities, develop innovative business ideas and build a portfolio of future-ready ventures and scalable enterprises across strategic and emerging sectors. It seeks to bring together talent, knowledge, technology, entrepreneurship and India connectivity with the strengths of strategic partners in capital, technology, global networks, markets and domain expertise. Potential areas include strategic partnerships, joint ventures, co-development, technology partnerships, India market-entry opportunities and strategic investment.

Suryabharat Industrial Research Dnyanpeeth (SBIRD) is envisioned as the research, innovation, incubation and venture-development platform of the Suryabharat ecosystem, with an ambitious vision to nurture and establish 1,000 startups, ventures and scalable enterprises across 100 strategic sectors and emerging opportunity areas by 2030, facilitating the journey from: Research → Innovation → Ip → Products & Technologies → Startups → Employment

Contd...

We believe that these complementary platforms can provide multiple avenues for international collaboration, strategic partnerships, investment, technology and knowledge exchange, venture development, market access and human-capital development.

We would be pleased to understand your areas of interest and explore opportunities where our respective strengths and networks can complement each other and create mutual value and long-term impact.

For a more detailed understanding, we are pleased to enclose the brochures of:

1. Suryadatta Group of Institutes
2. Suryabharat Industries LLP
3. Suryabharat Industrial Research Dnyanpeeth
4. Strategic Partnership & Investment Opportunities

We look forward to staying connected, exchanging ideas and exploring meaningful possibilities for collaboration and strategic association in the future.

With Warm Regards,

Prof Dr Sanjay B.Chordiya
